ATLANTA FBI CITIZENS ACADEMY ALUMNI ASSOCIATION

National Academy Debuts

The Atlanta FBI Citizens Academy Alumni Association joined other associations from across the US for the official April 2005 debut of National FBI Citizens Academy.

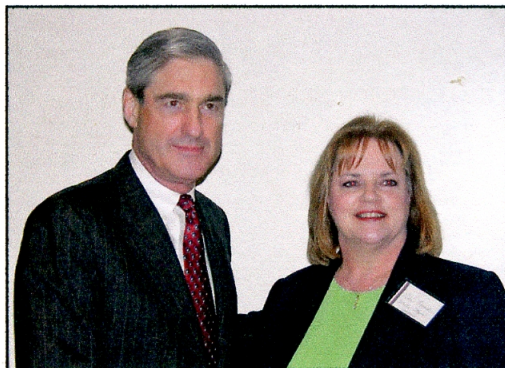

This affiliation will foster information-sharing among the various alumni groups, sharing the "best-practice" interaction between various communities and their local FBI division.

Our association liaison, Community Outreach Specialist Zona Morris, traveled to Washington, DC, with Vickie Foard, our board chairman, for the April organizational meeting of the National Citizens Academy. They interacted and exchanged ideas with other representatives.

Focus on Agents: Meet SAC Greg Jones

Greg Jones, Special Agent in Charge, Atlanta Division, came to Atlanta in December 2003. With his wife Michelle, they moved from the New York Field Office where he served as SAC of the Specials Operations Division and then SAC of the Administrative Division. His early FBI background includes Drugs, Violent Crime and Major Offender areas. He supervised the Office of Public Affairs, FBI HQ, managing national media and public affairs programs. In DC, he supervised Public Corruption and Government Fraud. In 1996, Jones

was promoted to Assistant SAC, Miami, Florida Field Office, in charge of Terrorism, Counter-intelligence and Violent Crime. Jones also served as Section Chief for the Senior Executive Service.

Afterwards, Jones was appointed Acting Deputy Assistant Director, Operations Branch, Criminal Justice Information Services. We welcome his leadership, enthusiasm and support for our group!
