# ATLANTA FBI CITIZENS ACADEMY ALUMNI ASSOCIATION

## A Busy Spring for the Citizens Academy

The 2006 class and Alumni enjoyed a "live fire" day at the shooting range.

The class received safety instruction (top) and later posed with their targets.

## From Special Agent in Charge Greg Jones

Atlanta SAC Greg Jones (center, in green) oversees the shooting range activities. Franklin Warlick (left) and Sean Huff look on.

Greetings!

As the SAC of the Atlanta Division, it is my hope that the Citizens Academy has helped better acquaint you with the mission of the FBI, the responsibilities and how we do business.

An invaluable partnership has been formed through your participation in the Citizens Academy and the Alumni Association. The community has an important role in helping with our fight against terrorism and other priorities.

I urge each member of the Citizens Academy Alumni to become involved and stay involved in the activities presented as we all try to prevent crime in all facets within our communities.

I want to personally thank the Alumni Board for its support and ideas on future projects with the Community Outreach Program.

Sincerely,  
Greg Jones

## From the Alumni President

I would like to thank the members of the Alumni Academy who attended our last Board meeting. It was great seeing familiar faces and get your input on the business of the organization.

As you saw in our meeting minutes, we have set the date for the First FBI Teen Leadership Academy. It's going to be August 5, 2006, 8:30am to 5:00 pm. For this first year, we have approximately 20 slots available to teens ages 14 to 18, and we are going to allow our Alumni to nominate either their own children or children you feel would benefit from this program. This is our way of "easing" into the program by working on format this first year; then, we can strategize recruitment methods for the second year and beyond.

We hope that you will be able to join us in an upcoming board meeting - and by all means bring your lunch. As always, please feel free to email any of your Board members with ideas or feedback. Thank you all for your continued support!

Malenka Warner

## 2006 Citizens Academy Graduation

On March 23, the 2006 class of the Atlanta FBI Citizens Academy enjoyed its graduation ceremonies.

A special thanks goes to alumni member Akeel Hanano who graciously donated the use of his wonderful "5th Runway Café" located in College Park.

The group at right received their graduation certificates after an address by SAC Greg Jones and information about alumni membership presented by president Malenka Warner.

The next class will be spring 2007. Teresa Westbrooks, Community Outreach Coordinator, will continue to be our liaison with the FBI.

If you have ideas for community involvement and interaction relating to the FBI, please contact Teresa at [twestbrooks@bellsouth.net](mailto:twestbrooks@bellsouth.net).

For alumni activity program ideas, contact Malenka Warner at [mwarner@sales-pop.com](mailto:mwarner@sales-pop.com).
